KATZE

Melodic Techno - Paris - 7LIVES Records - 130 to 138 BPM

SHORT BIO

KATZE is a Paris-based melodic techno producer and DJ. His sound builds rooms inside the dark - precise, immersive and alive. Rooted in Berlin's tradition and shaped by Paris, his sets turn tension and release into a physical architecture.

Dark Melodic Architect

Born from the creative nucleus of 7LIVES Records, KATZE has built his identity on a single principle: music that moves you before you understand it. A producer first, his releases draw on the full vocabulary of melodic techno while carving out their own grammar.

His sets are constructions - architectures of tension and release that transform any space. Rooted in Berlin's tradition, shaped by Paris, KATZE builds his own city one track at a time.
